

## First Aid for Schools

One Day Practical Course + Optional eLearning

6 Hrs

In- House

### Overview

This innovative course is ideal for ALL schools from infant through to secondary. Our course meets the DfE, HSE and OFSTED criteria for qualified first aiders working within education. The course is delivered as One Day face to face practical training session with optional interactive eLearning for staff that work in Early Years. The course covers both \* Paediatric and Adult First Aid protocols and is tailored to a school environment

We use the latest training techniques to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when emergencies arise.

\*Guidance update 2021: The UK Resus Council updated guidance states that paediatric first aid protocols apply to infant through to age 18 years. The DfE references this guidance.

### What to Expect

- Comprehensive trainer-led practical training day
- Fully interactive eLearning
- Free online annual refresher
- Certificate of Achievement and window sticker
- Professional, qualified, and dynamic trainers
- Suitable for new or experienced first aiders
- Fully certified for 3 years

## Location, Duration, and Numbers

- **Practical Day;** Takes place at your setting on a date / time of your choosing.
- **eLearning;** This stage is completed via any internet device, and takes approximately 6hrs to complete. eLearning must be completed within 4 weeks of your In-House practical training day.

As per HSE guidelines we restrict our courses to **12 learners per trainer** - although there is no limit to the number of learners you may include as we can supply multiple trainers.

## Refresher Training

The HSE recommend learners update their skills annually. Tigerlily Training provide **free online refresher** training.
